

Generic Name: Vigabatrin

Therapeutic Class or Brand Name: Sabril

Applicable Drugs (if Therapeutic Class): N/A

Preferred: Vigabatrin packets for solution (generic), Vigabatrin tablets (generic)

Non-preferred: Sabril packets for solution, Sabril tablets, Vigafyde oral solution

Date of Origin: 2/1/2013

Date Last Reviewed / Revised: 11/18/2024

PRIOR AUTHORIZATION CRITERIA

(May be considered medically necessary when criteria I through IV are met)

- I. Documented diagnosis of one of the following conditions A through B AND must meet all criteria listed under applicable diagnosis:
 - A. Refractory complex partial seizures
 - i. Documented failure of at least two alternative anti-epileptic drugs for complex partial seizures.
 - ii. Vigabatrin will be used as adjunctive therapy.
 - iii. Minimum age requirement: 2 years old.
 - B. Infantile spasms
 - i. Age is between one month and two years old.
- II. Treatment is prescribed by or in consultation with a neurologist.
- III. Request is for a medication with the appropriate FDA labeling, or its use is supported by current clinical practice guidelines.
- IV. Refer to the plan document for the list of preferred products. If the requested agent is not listed as a preferred product, must have documented treatment failure or contraindication to the preferred product(s).

EXCLUSION CRITERIA

- N/A

OTHER CRITERIA

- Sabril® should be discontinued if a significant clinical response is not achieved within 3 months of initiation (for treatment of refractory complex partial seizures) and within 2 to 4 weeks of initiation (for treatment of infantile spasms), or if clinical failure is obvious earlier.

QUANTITY / DAYS SUPPLY RESTRICTIONS

- Up to 180 tablets or packets per 30 days

APPROVAL LENGTH

- **Authorization:** 3 months
- **Re-Authorization:** 1 year. An updated letter of medical necessity or progress notes showing a significant clinical response has been achieved and documentation that vision is being monitored periodically (or that patient is formally exempted from periodic ophthalmologic assessment).

APPENDIX

- N/A
