

VENTEGRA MANAGED CARE PHARMACY INTERNSHIP

Gain practical experience in managed care

The Ventegra Pharmacy Internship is a fully remote, paid position that offers pharmacy students a hands-on experience in managed care. This program is designed to inspire the next generation of pharmacists to help transform healthcare for societal good. Interns will learn about value-based care, focusing on improving patient outcomes and supporting smarter healthcare spending.

Managed care is a complex field of study that encompasses risk, insurance, benefits, formulary, supply chain, and compliance. Our Ventegra Pharmacy Internship program allows you to:

- Gain exposure to pharmacy benefit management, health plans, self-insured payors, vertically integrated health systems, government, and pharmaceutical industries.
- Focus on population-based patient care across the health care continuum, emphasizing policies, guidelines, pharmaceuticals, devices, and tests.
- Develop practical skills by working with Ventegra's Prior Authorization Department. You will gain hands-on experience with our unique managed care business model.

Eligibility Requirements

- Pharmacy Student (P1 - P3) at an accredited College/School of Pharmacy
- Prefer previous pharmacy-related work experience
- Available to work 10- 20 hours per week

We are looking for detail-oriented, disciplined, motivated individuals who are enthusiastic about managed care. Strong organizational skills and self-motivation are essential for success in a remote work environment.
